Datasheet

Nice recycling bin

Recycling Bins Collectives Spaces Indoor/Outdoor

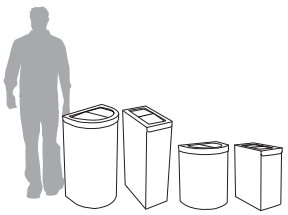
Modularity and unlimited combinations

- Suitable to create recycling stations with multiple bins
- Made from 1, 1,5, 2 and 3 mm cold rolled hot dip galvanized steel plates
- Thermo-heating polyester powder coated finish
- Versions Self-extinguising Certified with Swing Lid Smooth Body (45L, 65L, 75L and 95L)
- Optionally available Stainless Steel AISI 304 body version
- Available capacities 45, 65, 75 and 95 with smooth body or body with holes
- EES (Ergonomic Emptying System): safe & efficient emptying
- SIR (Smart Inner-Ring Bag Holder): inner ring bag holder for each waste. Inner rings are integrated & articulated in the body of the bin and incorporates a rubber band to hold the bag avoiding the bag falling down when it is full
- Available metal inner linner for 75 and 95 litres capacities with a rubber band to hold the bag avoiding the bag falling down when it is full
- SLIM-FIT: plastic bags that saves money, much more efficient

*Bins Also Compatible with Standard Plastic Bags

- Free standing with possibility to be fixed to the ground from inside with 3 M8 expanding bolts (not included)
- Available versions: Open top lid, Swing lid, Self-closing flap lid, Sorting slots lid, Confidental documents with lock lid, white edition
- Compatible with Nice Multi-waste bins
- Adjustable-height plastic feets included
- Available accessories: Wall mounting kit for 95 and 65 l., Kaizen 1 litre Ashtray
- This product can be used outdoor under regular environmental conditions

  For Salty areas (high salinity/humidity) are available extra finishes (check Extra Finishes) which improves significantly the corrosion resistance of bin in extreme environments conditions. These extra options involve extra cost and MOQ is required



Description	Capacity	Dimensions mm	Weight (máx.)
45 litres rectangular	45 litres	425 x 230 x 525	11,4 kg
65 litres semicircular	65 litres	338 x 425 x 525	12,9 kg
75 litres rectangular	75 litres	425 x 230 x 800	19,6 kg
95 litres semicircular	95 litres	338 x 425 x 800	22 kg
